Honorable Charles M. Mathias, Jr.
United States Senate
Washington, D.C. 20510

Dear Senator Mathias:

As we discussed yesterday evening, with regard to the Civil Service Reform Bill (S. 2640) and related legislation on Federal employee whistle-blowing, here are two short papers addressing the special concerns of intelligence agencies. The views reflected in these papers are in accord with the positions recommended by the Administration, through the Civil Service Commission, for example, in the 22 May 1978 letter to Chairman Ribicoff from Civil Service Commission Chairman Campbell.

Please do not hesitate to contact me if you have further questions or desire additional information. Thank you very much for your interest.
